

## Intelligent Mail Indicia (IMI) Fast Facts

### IMI: Intelligent Mail Indicia (New Technology)

- IMI ensures you always use the correct postage. No overcharges or returned mail!
- Postage updates happen every 72 hours compared to every 90 days with previous technology.
- No more special phone lines needed just for your postage meters.
- Stops miscalculations! Postage is automatically calculated based on Service Class.
- Transaction-level data for each mail piece...daily
- IMI standards go into effect June 2024. All postage meters must meet those requirements.
